

CITYLAND FOUNDATION

PROFILE

Our Beginnings : We have a DREAM. Words repeatedly uttered by a group of men and women who knew that they have a social responsibility to the Filipino people. They have looked beyond and saw the opportune time to bring about social transformation. On February 26, 1990 Cityland Foundation was born and since then, it has been a dream after dream coming true.

OUR VISION

To be a part in moulding the Filipino's heart, mind and body to honour God, help other people and live exemplary lives

OUR MISSION

To be a reliable partner of the Filipino home, educational institutions, NGO's and government institutions in raising up educated, well rounded and self-reliant individuals.

OUR GOAL

- To create a scholarship fund for the support of financially challenged students
- To assist educational, cultural charitable and humanitarian institutions by way of infrastructure, repairs, reconstruction, development, improvement of buildings, facilities and other structures and provide fixtures and other facilities for the benefit of the institution and its students, faculty employees and guests.
- to assist and support institutions to carry out educational and humanitarian activities for the promotion of social welfare.

Touching Lives. Making a Difference.

PROGRAMS of ACTION

CITYSCHOLARS PROGRAM

Financially challenged students are given the opportunity to pursue college courses. Aside from the grant of tuition payment, qualified CityScholars are given book subsidy and monthly allowance for transportation, food and other incidental expenses.

SCHOOLS FOR A BETTER TOMORROW

Cityland Foundation supports educational, cultural, charitable, humanitarian institutions by way of infrastructure, repairs, reconstruction, development, improvement of buildings, facilities and other structures and provide fixtures and other facilities for the benefit of the institution and its students, faculty, employees and guests.
